This Act shall be effective September 1, 1965.

Sec. 7. Emergency

The fact that the administration of water rights and water resources is a critical task and there is a great need for laws to perform these vital public duties in the most efficient manner creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and the same is hereby suspended, and this Act shall take effect and be in force from and after September 1, 1965, and it is so enacted.
